
Semen Analysis Test – Online Kit

Terms and Conditions

TERMS AND CONDITIONS We (DNA PLUS, hereinafter referred to as DTT CO) and/or its affiliates warrant that the result of the analysis of the biological samples provided to us by you (“the customer”) is correct and accurate according to the findings of the selected Laboratory, and based upon the origin of the samples provided to us. No further representation, warranty or understanding is given or made in relation to the results of analysis. The information contained in the result of analysis is prepared solely for the use of the customer to whom it is given or sent. Results can only be released verbally to individuals who have knowledge of **YOUR SELECTED PASSWORD** contained on this form (see below). We cannot be held responsible in any manner whatsoever, for slow, or delayed results, or for circumstances not under our control. Additionally, we shall not be liable for any loss, or damage suffered by you, or any other person as a result of the provision to you, of the test results, or lack thereof. In the event of it being necessary for DTT CO and/or its affiliates to testify in court or otherwise as to the identity of the persons sampled or the chain of custody procedure followed an additional charge will apply, and all charges must be paid in advance. We make no representation, expressed or implied, that the result of analysis is fit for any particular purpose. If you intend to use the results of analysis in any court preceding you should email us at contact@dnaplus.com so an appointment can be set up in your location for our legal collection services to guarantee that strict chain of custody procedures will be followed. You warrant that you are legally entitled to possession of the samples you have provided to us. You agree to indemnify us against any loss or damage that we may suffer as result of you providing us with sample which have not been legally obtained. You should obtain independent legal advise about your legal entitlement to take or obtain in samples of biological material from persons other than yourself. I will make no representation that I am legally entitled to perform any particular act in order to obtain biological samples for analysis. I hereby agree to the terms and conditions set our above and confirm the information I have given is true and correct.

SGNATURE: _____ DATE: _____

NAME (please print) _____

(optional) CREATE YOUR OWN PASSWORD: _____

Sample Identification

Date of Collection: _____
